

Living Energy Farm in partnership with Tsai/Wheatfields Dineh Water User

Are you interested in having a solar kit installed on your property?

This form is for those who either do not have electricity or would like to transition to a more renewable form of energy system. Please provide as much information as you are comfortable giving.

First Name: _____ Last Name: _____

Phone Number: _____

Email Address: _____

If you have an email address, would you like to sign up for our newsletter? (circle one)

Yes No

Do you currently have electricity at this time? (circle one)

Yes No

Which chapter are you registered with? _____

And if you are comfortable, share your physical address so we can craft a schedule of when we will be out doing installations, and where to schedule workshops.

Do you currently have electricity? (circle one)

Yes No

Do you already have a solar equipment that either doesn't work or needs to be hooked up?

I do not

I have some but I don't know how to use it

I have some but I am interested in what you guys do and want to attend an installment if possible.

Do you have any prior electrical knowledge? (circle one)

Yes No

Are you interested in learning how to install a solar kit on your own property? (circle one)

Yes No

If you want a solar kit installed on your property, are you okay opening your home to a learning experience for others? (circle one)

Yes No Only if I know who is coming

I understand that Tsai/Wheatfields Dineh Water User is not responsible for any malfunctions or maintenance to the solar micro kit.
